## Summary

As an Illustrator I have a passion for creating self-published books, stickers, and other products to market to on social media platforms such as Instagram, Twitter, and Instagram Reels. I'm looking for a creative job position in graphic design, visual design, or other jobs in the creative field to further my career. I have over 4 years of experience when it comes to working with clients on their commissions. My experience of over 8 years in customer service allows me to understand my clients' needs and vision for their brand. My goal is to get a job in the creative job market to expand my skills as an Illustrator.
